Axelos PRINCE2 Training	Axelos own the PRINCE2 methodology, and you can find accredited training providers on their website.	https://www.axelos.com/certifications/propath/prince2-project-management/
Association for Project Management (APM)	APM is another well-recognised project management accreditation provider. Although it has a slightly more international flavour, it is just as well-regarded as PRINCE2 in the UK.	https://www.apm.org.uk/
Scrum Alliance	Traditional Project Management is often blended with Agile methodologies, so it is well worth getting accredited as a Scrum Master and a Project Manager, as this will open up more roles.	https://www.scrumalliance.org/
